EVICCTIONS & TERMINATIONS WORKSHOP

CHILDCARE FOR FAMILIES EXPERIENCING HOMELESSNESS

The Child Care Aware of Washington Family Center is a statewide call center assisting families in finding licensed child care providers, navigating child care financial assistance options, finding alternative forms of care, and connecting families to COVID-related resources in their community.

They also help families who are experiencing homelessness find child care **for up to 12 months at no cost to them**. Child care offers young children experiencing homelessness a safe place to play and learn, healthy food and a chance to make friends. Families qualify if they meet one of the following:

- Not have a home
- Live temporarily with family or friends
- Live in a shelter, car or park
- Live in transitional housing
- Live in domestic violence program housing
- Meet income eligibility requirements
